

**Luke 4:18** – The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom to the captives and recovery of sight to the blind, to set free the oppressed, to proclaim the year of the Lord's favor.

**September 10<sup>th</sup>** – I am proud to announce the birth of our twins Mateo and Angela Kidd. Our doctors told us that we were physically unable to have children, but we placed our faith and prayers in Jesus' hands. Today, our doctors say the twins a true miracle from God. We feel so blessed to have these two little miracles join our family.

**Luke 22:35** Jesus asked the disciples, "When I sent you without money, clothes, or sandals, lacked ye anything?" And they said, "Nothing." During the past 5 years in Argentina, I can truly say that I too have lacked nothing. God is faithful to His children.

**September** – 500 children attended our annual Children's Day Festival at the orphanage. The orphan children taught the gospel through rehearsed skits, puppet shows, testimonies, Christian songs and games. Many new children accepted Jesus Christ as their personal savior on that glorious day. They are all praying in this picture.

**August** – After almost three years, we have almost completed the church planting in Bandera, Santiago del Estero. We may still lack windows and the front door. People pack the church building every service.

**July** – My friend and missionary Jeremy Parker (pictured right) visited us for a few weeks. Jeremy was the team leader for a mission group from Pensacola, Florida that came in 2008. Jeremy has made life-long friendships, served to win souls for Jesus, evangelized door-to-door in the city streets, preached in several churches and he loves the orphan children.

**Special Request Donations:** *(Please make a note on your check)*

**\$ 3,400** - Purchase roofing materials to complete the orphanage's multi-space room (pictured right). Here the children will eat meals, play games and wash their dishes.

**\$ 15,000** – Start fund raising to purchase another vehicle for our mission. Our last vehicle was sold in order to support the mission programs during the months of economic challenge.

**Completed Special Request Project** – Thanks to the benevolent gift for a special project request, the orphan children now have hot water plumbing and room heaters. In order to make the project budget, I made a deal with the owner of the heater factory and we purchased direct at their cost. We thank the Lord as He got this difficult job done.
